=====

ATTN : All Students

All India Council for Technical Education in its efforts to recruit students in various companies across India have requested all the students of our Institute to register and give online test using www.youth4work.com platform.

Every student may also note the following :-

- i) All students must give any two test of their choice.
- ii) The test will take five minutes and can be given from web or mobile, form anywhere.
- iii) Students can give the test on the college computer labs or from homes.
- iv) The test has to be given on or before **10th December 2017.**
